A Short History Of Science To The Nineteenth Century (Hardback)

By Charles Singer

Read Books, United Kingdom, 2008. Hardback. Condition: New. Language: English. Brand new Book. A SHORT HISTORY OF SCIENCE TO THE NINETEENTH CENTURY A SHORT HISTORY OF SCIENCE TO THE NINETEENTH CENTURY BY CHARLES SINGER OXFORD AT THE CLARENDON PRESS 1941 These times are the ancient times, when the world is ancient, and not those which we account ancient, online rtrogradQ by a computation backwards from ourselves. 1 Francis Bacon. The whole succession of men through the ages should be considered as one man, ever living and always learning Pascal. PRINTED IN GREAT BRITAIN PREFACE THIS book seeks to present, in simple form, the development of the conception of a rational and interconnected material world. It considers, therefore, both physical and biological, but not psychological, social, or abstract mathematical problems. A natural pause is reached with the acceptance, in the nineteenth century, of that classical body of scientific doctrine which is the normal foundation of modern scientific discipline. So elementary a work can indicate only a very few out of many lines of thought, especially for, the period since the Revival of Learning. In dealing with these later centuries I have had recourse to a type-system. Persons, movements, advances,...

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
